Understanding service area maps and plan type

The service area maps in this directory show the counties where Aetna Medicare plans are offered. If coverage for an Aetna Medicare plan is offered in only part of a county, then a list of covered zip codes is provided. Please take the time to become familiar with the service area map specific to you and your plan.

The two service area maps on the following pages are for Aetna Medicare Individual plans and Aetna Medicare Employer Group plans.

Q: How do I know if I am an Individual plan member and which map should I use?

A: You can check your member ID card. Look for a 4-digit number on the front of your card that has a letter before it. For example: H3623. You will see a 3-digit number after that number. For example: 001. If that 3-digit number starts with any number besides an 8, then you are an Individual plan member.

Call our Member Services department at **1-800-282-5366 (TTY: 711)**, 8 a.m. to 8 p.m., seven days a week. Section 1: Introduction

This directory provides a list of Aetna MedicareSM Plan (PPO) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

If you are enrolled in an Aetna MedicareSM Plan (PPO), you have the flexibility to choose either network providers to receive covered services or out-of-network providers. Out-of-network/non-contracted providers are under no obligation to treat Aetna Medicare members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our customer service number or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services. Although you are not required to select a primary care physician (PCP), you are encouraged to do so.

The network providers listed in this directory have agreed to provide you with your health care, vision, hearing and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

In cases where non-contracting providers submit a bill directly to you, you should not pay the bill. Submit it to Aetna Medicare for processing and determination of your cost-sharing amount, if any. Our claims/billing address is on the back of your ID card.

Certain network health care services, such as hospitalization or outpatient surgery, require prior authorization from Aetna Medicare. This means the service must be approved by Aetna Medicare before it will be covered under the plan. Check your Evidence of Coverage for a list of services that require this approval. When you are to obtain services requiring prior authorization from a network provider, the provider is responsible to obtain prior authorization from Aetna Medicare

before treatment. If your plan includes an out-of-network benefit and you decide to receive covered services from an out-of-network provider, we recommend you ask your out-of-network provider to contact Aetna Medicare for prior authorization of those services.

Emergency care

If you need emergency care, you are covered 24 hours a day, 7 days a week, anywhere in the world. Whether you are in or out of an Aetna Medicare service area, we simply ask that you follow the guidelines below when you believe you need emergency care.

- Call the local emergency hotline (for example, 911) or go to the nearest emergency facility. Notify your PCP as soon as possible after receiving treatment. Or if a delay would not be harmful to your health, call your PCP.
- If you are admitted to an inpatient facility, you, a family member or friend on your behalf should notify your PCP or Aetna Medicare as soon as possible.

If you are traveling outside of the Aetna Medicare Plan (PPO) service area, you are covered for emergency and urgently needed care. Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the network service area, HMO plan members must use plan providers for urgent care unless the providers are not available. When out of the service area, urgent care may be obtained from the first available provider. Urgent care may be obtained from a private practice physician, a walk-in clinic, an urgent care center or an emergency facility. We will review the information submitted to us by the provider who supplied your care. If the nature of the urgent or emergency problem does not qualify for coverage, you may have to provide us with additional information.

Follow-up care after emergencies

All follow-up care should be coordinated by your PCP. Whether you were treated inside or outside your Aetna Medicare service area, if your plan requires referrals, you must obtain a referral before any follow-up care can be covered. If your plan does not require referrals you should contact

our Member Services department at **1-800-282-5366 (TTY: 711)** before care is received at out-of-network facilities. Suture removal, cast removal, X-rays and clinic and emergency room revisits are some examples of follow-up care.

For PPO plans, in-network and out-of-network follow-up care after emergencies will be covered under the terms and conditions of your plan.

Sección 1: Introducción

Este directorio contiene una lista de los proveedores de la red del Plan (PPO) de Aetna MedicareSM. Para obtener información detallada acerca de su cobertura de atención médica, consulte la Evidencia de Cobertura.

Si está inscrito en un Plan (PPO) de Aetna MedicareSM, usted tiene la flexibilidad de elegir cualquiera de los proveedores de la red o proveedores fuera de la red para recibir los servicios cubiertos. Los proveedores fuera de la red o proveedores sin contratos no están obligados a brindar tratamiento a los miembros del Plan/patrocinador de la Parte D, excepto en situaciones de emergencia. Para obtener una decisión acerca de si cubriremos un servicio fuera de la red, le recomendamos a usted o a su proveedor de pedirnos una determinación de la organización previa al servicio antes de recibir el servicio. Llame a nuestro número de Servicio al Cliente o consulte la Evidencia de Cobertura para obtener más información, incluyendo el costo compartido que se aplica a los servicios obtenidos fuera de la red. Aunque no se le exige elegir un médico de atención primaria (PCP), se le anima hacerlo.

Los proveedores de la red que aparecen en este directorio han acordado ofrecerle servicios de atención médica, de la vista, de audición y dentales. Usted puede acudir a cualquiera de los proveedores dentro de nuestra red que se enumeran en el directorio; sin embargo, algunos servicios pueden exigir una referencia médica. Si ha estado consultando con un proveedor de la red, usted no está obligado a seguir acudiendo al mismo proveedor. En algunos casos, es posible obtener servicios cubiertos de proveedores fuera de la red.

En los casos en que los proveedores sin contrato presenten una factura directamente a usted, usted no debe pagar la factura. Enviarla a Aetna Medicare para el procesamiento y la determinación de la cantidad de costo compartido, en su caso. Nuestra dirección de correo postal para reclamos o facturación se encuentra en el reverso de su tarjeta de identificación.

Ciertos servicios de atención médica de la red, como la hospitalización o cirugía ambulatoria, requieren la autorización previa de Aetna Medicare. Esto significa que el servicio debe ser aprobado por Aetna Medicare antes de que sea cubierto por el plan. Consulte su Evidencia de Cobertura para obtener una lista de los servicios que requieren esta aprobación. Cuando se le requiere autorización previa para obtener los servicios por parte de un proveedor de la red, el proveedor es responsable de obtener la autorización previa de Aetna Medicare antes de brindar tratamiento. Si su plan incluye un beneficio fuera de la red y usted decide recibir los servicios cubiertos de un proveedor fuera de la red, se recomienda pedir a su proveedor fuera de la red comunicarse con Aetna Medicare para la autorización previa de dichos servicios.

Atención de emergencia

Si usted necesita atención de emergencia, está cubierto las 24 horas del día, los 7 días de la semana, en cualquier lugar del mundo. Ya sea que usted está dentro o fuera de un área de servicio de Aetna Medicare, simplemente solicitamos que siga las siguientes pautas cuando cree que necesita atención de emergencia.

- Llame la línea directa de emergencia local (por ejemplo, 911) o diríjase al centro de emergencias más cercano. Notificar a su médico tan pronto como sea posible después de recibir el tratamiento. O bien, si la demora no es perjudicial para su salud, llame a su PCP.
- Si es admitido en un centro médico, usted, un miembro de la familia o un amigo en su nombre debe notificar a su PCP o Aetna Medicare tan pronto como sea posible.

Si está viajando fuera del área de servicio del Plan (PPO) de Aetna Medicare, usted está cubierto en caso de atención de emergencia y de urgencia. La atención de emergencia siempre se puede obtener dentro o fuera del área de servicio del proveedor disponible más cercano. Cuando se encuentra en el área de servicio de la red, los miembros del plan HMO deben utilizar proveedores del plan para recibir atención de urgencia a menos que los proveedores no están

disponibles. Cuando se encuentra fuera del área de servicio, se puede obtener la atención de urgencia del primer proveedor disponible. La atención de urgencia se puede obtener de un médico de práctica privada, una clínica sin cita previa, un centro de urgencias o un centro de emergencia en cualquier lugar a nivel mundial. Revisaremos la información presentada a nosotros por el proveedor que suministra su atención. Si la naturaleza del problema de urgencia o emergencia no cumple los requisitos para la cobertura, es posible que tenga que proporcionarnos información adicional.

Seguimiento médico después de una emergencia

Todo seguimiento médico debe ser coordinado por su PCP. Ya sea que recibió tratamiento dentro o fuera de su área de servicio de Aetna Medicare, si su plan requiere referencias médicas, debe obtener una referencia médica antes de ser cubierto cualquier seguimiento médico. Si su plan no requiere referencias médicas, debe ponerse en contacto con nuestro departamento de Servicios al Miembro en el **1-800-282-5366 (TTY: 711)** antes de recibir atención en los centros médicos fuera de la red. Algunos ejemplos de seguimiento médico son la retirada de puntos, yesos, toma de radiografías y visitas adicionales a clínicas y salas de emergencia.

Para los planes PPO, el seguimiento médico dentro de la red y fuera de la red después de una emergencia serán cubiertos por los términos y las condiciones de su plan.

Institutes of Excellence™ transplant facilities

The Aetna National Medical Excellence Program® coordinates care and provides access to covered transplant treatment through the national Institutes of Excellence network. We have selected hospitals that have met extensive quality, as well as cost-effectiveness criteria to participate in our Institutes of Excellence transplant network for solid organ transplants and bone marrow transplants. These facilities have been contracted on a transplant-specific basis and facilities are considered participating only for the transplant type listed in this directory.

To be considered in network for coverage for transplant-related services, including evaluation, transplant, and follow-up care, you must utilize an Institutes of Excellence participating facility that has been specifically contracted by Aetna for your transplant type. Services must be preauthorized with Aetna for coverage to be effective. Any facility that is not specified as an Institutes of Excellence network facility is considered nonparticipating or nonpreferred for transplant-related services, even if they are considered participating for other types of services.

Centros de trasplante de los *Institutes of Excellence*[™] (Institutos de Excelencia)

El Programa de Excelencia Médica Nacional[®] de Aetna coordina la atención médica y proporciona acceso al tratamiento de trasplante cubierto a través de la red de los Institutos de Excelencia. Hemos seleccionado los hospitales que cumplen con una calidad extensiva, así como los criterios de eficacia de costos para participar en nuestros centros de trasplante de los Institutos de Excelencia para los trasplantes de órganos sólidos y trasplantes de médula ósea. Estos centros médicos han sido contratados sobre la base específica de trasplantes y los centros médicos se consideran participantes sólo para el tipo de trasplante listado en este directorio.

Para que se considere la cobertura dentro de la red para servicios relacionados con trasplantes, incluyendo la evaluación, trasplante y seguimiento médico, usted debe utilizar un centro médico participante de los Institutos de Excelencia que han sido específicamente contratados por Aetna para su tipo de trasplante. Los servicios deben ser autorizados previamente con Aetna para que la cobertura sea válida. Cualquier centro médico no especificado como centro médico de la red de los Institutos de Excelencia se considera como centro médico no participante o no preferido para los servicios relacionados con trasplantes, incluso si se considera participante para otros tipos de servicios.

Nationally contracted walk-in clinics

This section contains a list of nationally contracted walk-in clinics. Each nationally contracted walk-in clinic is staffed with nurse practitioners and/or physician assistants as well as a physician on call during all hours of operation. Walk-in clinics are designed to treat ailments such as strep throat, pink eye, and seasonal allergies and may also offer a limited list of vaccines such as tetanus, hepatitis and pneumonia. Walk-in clinics are not designed to be an alternative for primary care providers. Walk-in clinics offer a quick alternative for common ailments with no appointment necessary.

Occasionally, a patient shows symptoms that are not within the walk-in clinic's treatment guidelines. In that case, nurse practitioners and physician assistants are qualified to screen and refer patients to the appropriate health care provider at no charge to the member.

Members who access care at walk-in clinic sites do not require a referral from their primary care physician. Cost sharing for walk-in clinics is based on a member's plan benefits. Your plan's Evidence of Coverage lists cost-sharing information.

Clínicas de atención sin cita contratadas a nivel nacional

Esta sección contiene una lista de clínicas de atención sin cita contratadas a nivel nacional. Cada clínica de atención sin cita contratada a nivel nacional cuenta con personal de enfermeros profesionales y/o asistentes de médicos, así como un médico de turno durante todo el horario de operación. Las clínicas de atención sin cita están diseñadas para tratar enfermedades tales como la faringitis estreptocócica, conjuntivitis y alergias estacionales, y también pueden ofrecer una lista limitada de vacunas contra el tétanos, la hepatitis y neumonía. Las clínicas de atención sin cita no están diseñadas para ser una alternativa para proveedores de atención primaria. Las clínicas de atención sin cita ofrecen una alternativa rápida a las dolencias comunes sin que sea necesario tener una cita.

Ocasionalmente, un paciente muestra síntomas que no están dentro del marco de tratamiento de la clínica de atención sin cita. En estos casos, los enfermeros profesionales y asistentes de médicos están calificados para hacer pruebas de detección y referir a los pacientes a los proveedores de atención médica apropiados sin costo para el miembro.

Los miembros que tienen acceso a las clínicas de atención sin cita no requieren una referencia médica de su proveedor de atención primaria. El costo compartido para las clínicas de atención sin cita se basa en los beneficios del plan del miembro. La Evidencia de Cobertura de su plan enumera la información de costos compartidos.

Los programas de reconocimiento se construyen en base a la evidencia de estándares clínicos de la atención, reconocidos a nivel nacional. Por lo tanto, el reconocimiento de proveedores por el NCQA está sujeto a cambios. Se puede acceder el directorio oficial de NCQA de médicos reconocidos en el sitio de Internet **http://recognition.ncqa.org**. En el enlace para "Otras organizaciones de atención médica" se incluyen "Managed Behavioral Healthcare Organizations" (organizaciones administradas de servicios médicos de la salud del comportamiento) para la acreditación en la salud del comportamiento y "Credentials Verifications Organizations" (organizaciones de verificaciones de credenciales) para la certificación de acreditación.
