SECTION 1—INTRODUCTION

This directory provides a list of SCAN Health Plan’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

This Provider Directory is for the following plans: Scripps Classic offered by SCAN Health Plan (HMO), Scripps Signature offered by SCAN Health Plan (HMO), Scripps Plus offered by SCAN Health Plan (HMO) and Scripps Heart First offered by SCAN Health Plan (HMO SNP).

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Physician (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP.

Your PCP is a physician who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP, and your PCP will also coordinate the rest of the covered services you get as a member. Care Physician if you feel that you need specialty care. Your PCP will provide most of your care and will help you arrange or coordinate the rest of the covered services you get as a member of our Plan.

Even though your PCP will coordinate all your health care needs, there may be times when he or she feels you need more specialized treatment. In that case, you must receive a written referral to see a specialist from your PCP. Once your PCP’s referral request is approved, an appointment can be made with the specialist. Be careful not to receive care from a specialist without a written referral from your PCP, because if you do, you may be responsible for payment of those services.

The “network providers” listed in this directory have agreed to provide you with your: health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

If you get a bill for a covered service from a contracted or non-contracted provider, you may submit the bill to us for payment. We will pay for our share of the bill and will let you know if you must pay any cost-sharing. However, if you have already paid for the covered services, we will reimburse you for our share of the cost.

For more details, please refer to your Evidence of Coverage, Chapter 2—Important phone numbers and resources and Chapter 7—Asking us to pay our share of a bill you have received for covered medical services or drugs.

“Emergency Care”: Our Plan covers emergency services, whether or not they are provided by a contracted network provider. If you have a medical emergency, get help as quickly as possible. Call “911” for help or go to the nearest emergency room, hospital, or urgent care center. Call for an ambulance if you need it. You **do not** need to get approval or a referral first from your PCP.

- As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call Member Services to tell us about your emergency care, usually within 48 hours. You should also have someone telephone your PCP at the number listed on your membership card as soon as reasonably possible.
- After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan.
- If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

- Emergency care can always be obtained in or out of the service area from the nearest available provider. You do not need to get approval or a referral first from your PCP.

“Urgently Needed Care”: Urgent Care is a non-emergency situation when you need medical care right away because of an illness, injury, or condition that you did not expect or anticipate, but your health is not in serious danger.

- Our plan covers urgently needed care as long as the care you receive meets the definition of “urgently needed care” given above.
- **Urgent Care:** When in the service area, you must use plan providers for urgent care. When outside of the service area, urgent care may be obtained from the first available provider.
- **Dialysis Care:** In addition, when outside of the service area, you can obtain dialysis treatment from any qualified provider.

For more details, please refer to your Evidence of Coverage, Chapter 3—Using the plan’s coverage for your medical services.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor SCAN Health Plan will be responsible for the costs.

How do you find SCAN Health Plan providers in your area?

The Primary Care Physicians (PCPs) in this directory are listed by city. You will find that the Plan Specialist listing includes both Medical Group affiliation and Specialty. When choosing your PCP, it is best to choose one whose practice (office) is close to your home, or close to the home of your caregiver or relative who assists you.

Note: Depending on whom you have chosen as your PCP, you may be limited as to the specialists you may see. You will only be able to see specialists who are affiliated with your contracted Medical Group or IPA. When you are admitted to a hospital, your care may be coordinated by a hospitalist.

For more details, please refer to your Evidence of Coverage, Chapter 3—Using the plan’s coverage for your medical services.

If you have questions about SCAN Health Plan, or require assistance in selecting a PCP, please call our Member Services Department at 1-800-559-3500, 8 A.M. to 8 P.M., 7 days a week from October 1 to February 14. SECCIÓN 1—INTRODUCCIÓN

Este directorio proporciona una lista de los proveedores de la red de SCAN Health Plan. Para obtener información detallada acerca de su cobertura de atención médica, consulte su Evidencia de cobertura.

Este directorio de proveedores es para los siguientes planes: Scripps Classic ofrecido por SCAN Health Plan (HMO), Scripps Signature ofrecido por SCAN Health Plan (HMO), Scripps Plus ofrecido por SCAN Health Plan (HMO) y Scripps Heart First ofrecido por SCAN Health Plan (HMO SNP).

Tendrá que elegir uno de nuestros proveedores de la red que se incluyen en este directorio para que sea su médico de atención primaria (**P**rietary **C**are **P**hysician, PCP). En el resto de este directorio se usará el término “PCP”. Por lo general, debe obtener sus servicios de atención médica de su PCP.

Su PCP es un médico que cumple con los requisitos estatales y está capacitado para proporcionarle atención médica básica. Recibirá su atención médica de rutina o básica de su PCP, y su PCP también coordinará el resto de los servicios cubiertos que recibe como miembro de nuestro Plan. Por ejemplo, le recomendamos que consulte a su médico de atención primaria si considera que necesita atención especializada. Su PCP le proporcionará la mayor parte de su atención y le ayudará a hacer los arreglos o coordinará el resto de los servicios cubiertos que recibe como miembro de nuestro Plan.

A pesar de que su PCP coordinará todas sus necesidades de atención médica, es posible que en ocasiones determine que usted necesita un tratamiento más especializado. En ese caso, su PCP debe proporcionarle una derivación por escrito para ver a un especialista. Una vez que se aprueba la solicitud de derivación de su PCP, puede hacerse la cita con el especialista. Tenga precaución de no recibir atención médica de un especialista sin una autorización de su PCP, porque si lo hace es posible que sea responsable del pago de esos servicios.

Los “proveedores de la red” que aparecen en este directorio han aceptado proporcionarle sus: servicios de atención médica. Puede ir a cualquiera de nuestros proveedores de la red que aparecen en este directorio; sin embargo, algunos servicios pueden requerir una derivación. Si ha estado consultando a un proveedor de la red, no está obligado a continuar visitando al mismo proveedor. En algunos casos, puede recibir servicios cubiertos de proveedores fuera de la red.

Si recibe una factura por un servicio cubierto de un proveedor contratado o no contratado, puede enviarnos la factura para el pago. Pagaremos nuestra parte de la factura y le haremos saber si debe pagar algún costo compartido. Sin embargo, si ya pagó por los servicios cubiertos, le reembolsaremos nuestra parte del costo.

Para obtener más detalles, consulte su Evidencia de cobertura; Capítulo 2: Números de teléfono y recursos importantes Capítulo y el 7: Solicitarnos que paguemos nuestra parte de una factura que ha recibido por servicios médicos o medicamentos cubiertos.

“Atención de emergencia”: Nuestro Plan cubre los servicios de emergencia, ya sean o no proporcionados por un proveedor de la red con contrato. Si tiene una emergencia médica, obtenga ayuda tan pronto como sea posible. Llame al “911” para obtener ayuda o acuda a la sala de emergencia, hospital o centro de atención de urgencia más cercano. Llame para solicitar una ambulancia si lo necesita. No es necesario que obtenga aprobación o una derivación primero de su PCP.

- Tan pronto como sea posible, asegúrese de que se haya informado a nuestro plan sobre su emergencia. Debemos darle seguimiento a su atención de emergencia. Usted u otra persona deben llamar a Servicios para Miembros para informarnos acerca de su atención de emergencia, por lo general dentro de las siguientes 48 horas. Alguien también debería llamar por teléfono a su PCP al número que aparece en su tarjeta de miembro tan pronto como sea razonablemente posible.

- Una vez pasada la emergencia, tiene derecho a recibir atención de seguimiento para asegurarse de que su afección sigue estable. Nuestro plan cubrirá la atención de seguimiento.
- Si recibe la atención de emergencia de proveedores fuera de la red, intentaremos que los proveedores dentro de la red se encarguen de su atención tan pronto como su afección médica y las circunstancias lo permitan.
- Siempre puede recibir atención de emergencia dentro o fuera del área de servicio del proveedor disponible más cercano. No es necesario que obtenga aprobación o una derivación primero de su PCP.

“Atención necesaria de urgencia”: Atención de urgencia es una situación que no es de emergencia en la que necesita atención médica de inmediato debido a una enfermedad, lesión o afección que no esperaba o anticipaba, pero en la que su salud no está en grave peligro.

- Nuestro plan cubre servicios necesarios de urgencia, siempre que la atención que reciba cumpla con la definición de “atención necesaria de urgencia” anterior.
- **Atención de urgencia:** Cuando esté en el área de servicio, debe utilizar proveedores del plan para recibir la atención de urgencia. Cuando esté fuera del área de servicio, puede obtener atención de urgencia del primer proveedor disponible.
- **Atención de diálisis:** Además, cuando esté fuera del área de servicio, puede obtener tratamiento de diálisis de cualquier proveedor calificado.

Para obtener más detalles, consulte su Evidencia de cobertura, Capítulo 3: Uso de la cobertura del plan para sus servicios médicos.

Debe usar los proveedores del plan excepto en situaciones de atención de emergencia o de urgencia, o para diálisis u otros servicios cuando esté fuera del área de servicio. Si recibe atención médica de rutina de proveedores fuera de la red, ni Medicare ni SCAN Health Plan serán responsables por los costos.

¿Cuál es el área de servicio de SCAN Health Plan?

El condado en nuestra área de servicio se indica a continuación.

¿Cómo encontrar proveedores de SCAN Health Plan en su área?

Los médicos de atención primaria (PCP) en este directorio aparecen enumerados por ciudad. Encontrará la lista de especialistas del plan por grupo médico y por especialidad. Al elegir su PCP, es mejor que elija uno cuyo consultorio (oficina) esté cerca de su hogar, o cerca del hogar de su cuidador o familiar que le ayuda.

Nota: Dependiendo de a quién haya elegido como PCP, es posible que se limite a qué especialistas puede consultar. Únicamente podrá acudir a los especialistas que están afiliados a su grupo médico contratado o Asociación de Médicos Independientes (Independent Physician Association, IPA). Cuando lo ingresen en un hospital, su atención puede ser coordinada por un médico hospitalista.

Para obtener más detalles, consulte su Evidencia de cobertura, Capítulo 3: Usar la cobertura del plan para sus servicios médicos.

Si tiene alguna pregunta sobre SCAN Health Plan o necesita ayuda para seleccionar un PCP, llame a nuestro número de Servicios para Miembros al 1-800-559-3500, de 8 A.M. a 8 P.M., los 7 días de la semana desde el 1 de octubre al 14 de febrero. Desde el 15 de febrero hasta el 30 de septiembre, el horario es de 8 A.M.

PROFESIONAL DE SALUD MENTAL PARA PACIENTES AMBULATORIOS

SCAN cubre servicios de salud mental para pacientes ambulatorios. Se requiere una derivación a un profesional de salud mental dentro de la red. Para localizar a un profesional de salud mental hable con su PCP o comuníquese con su grupo médico.

Puede encontrar el número telefónico de su PCP/Grupo médico en su tarjeta de identificación de SCAN.

También puede comunicarse con Servicios para Miembros de SCAN para obtener información sobre los proveedores de la red en su área llamando al 1-800-559-3500.

SECTION 8—INTRODUCTION

This booklet provides a list of SCAN Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and SCAN Health Plan's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under SCAN Health Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of August 2015. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.scanhealthplan.com. You may also call Member Services for updated provider information.

You can get prescription drugs shipped to your home through our network mail order delivery service. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for San Diego County which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory contact our Member Services, at 1-800-559-3500 (Medicare and Medi-Cal eligible members should call 1-866-722-6725) or, for TTY users, 711, 8 A.M. to 8 P.M., 7 days a week from October 1 to February 14. From February 15 to September 30, hours are 8 A.M. to 8 P.M. Monday through Friday, and 9 A.M. to 4 P.M. on Saturday (messages received on holidays and outside of our business hours will be returned within one business day), or visit www.scanhealthplan.com.

If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact SCAN Health Plan.

SCAN Health Plan is an HMO plan with a Medicare contract. Enrollment in SCAN Health Plan depends on contract renewal.

This information is not a complete description of benefits. Contact the plan for more information. Limitations, copayments, and restrictions may apply. The pharmacy network, and/or provider network may change at any time. You will receive notice when necessary. Benefits and/or co-payments/co-insurance may change on January 1 of each year.

This information is available for free in other languages. Please call our Member Services number at 1-800-559-3500, 8 A.M. to 8 P.M., seven days a week from October 1 to February 14. From February 15 to September 30, hours are 8 A.M. to 8 P.M. Monday through Friday, and 9 A.M. to 4 P.M. on Saturday (messages received on holidays and outside of our business hours will be returned within one business day). TTY users call 711.

Esta información está disponible gratuitamente en otros idiomas. Llame nuestro número de Servicios para Miembros al 1-800-559-3500, de 8 A.M. a 8 P.M., los siete días de la semana del 1 de octubre al 14 de febrero. Del 15 de febrero al 30 de septiembre el horario es de 8 A.M. a 8 P.M. de lunes a viernes, y de 9 A.M. a 4 P.M. el sábado (los mensajes recibidos en días festivos o fuera de nuestras horas de oficina serán contestados dentro de un día hábil). Los usuarios de TTY llamen al 711.

SECCIÓN 8—INTRODUCCIÓN

Este folleto proporciona una lista de las farmacias de la red de SCAN Health Plan. Para obtener una descripción completa de su receta médica, cobertura, incluido cómo surtir sus recetas, consulte la Evidencia de cobertura y el formulario de SCAN Health Plan.

Llamamos a las farmacias en esta lista nuestras “farmacias de la red” porque hemos hecho arreglos con ellos para que proporcionen medicamentos recetados a los miembros del plan. En la mayoría de los casos, sus recetas médicas están cubiertas bajo SCAN Health Plan únicamente si se surten en una farmacia de la red o a través de nuestro servicio de farmacia de pedidos por correo. Una vez que comience a ir a una farmacia, no es necesario que continúe visitando la misma farmacia para surtir sus recetas; puede cambiar a cualquier otra de nuestras farmacias de la red. Surtiremos recetas médicas en farmacias fuera de la red bajo ciertas circunstancias, tal como se describe en su Evidencia de cobertura.

No se pueden enumerar a todas las farmacias de la red en este directorio. Después de imprimirse este directorio, pueden haberse añadido o eliminado algunas farmacias. Esto significa que es posible que las farmacias que aparecen a continuación ya no sean parte de nuestra red, o puede haber farmacias más recientes en nuestra red que no se detallan. Esta lista está vigente al mes de agosto de 2015. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y en la contraportada.

Pueden ocurrir cambios a nuestra red de farmacias durante el año de beneficios. Una versión actualizada del Directorio de farmacias se encuentra en nuestro sitio web en www.scanhealthplan.com. También puede llamar a Servicios para Miembros para obtener información actualizada del proveedor.

Puede obtener medicamentos recetados enviados a su casa, a través de nuestro servicio de entrega de pedidos por correo de la red. Para obtener más información, comuníquese con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Este directorio es para el condado de San Diego, los cuales incluyen el área en la que usted vive. Sin embargo, cubrimos un área de servicio más extensa, y existen más farmacias donde sus recetas médicas pueden estar cubiertas por nuestro Plan. Para obtener información sobre más farmacias en la red de nuestro plan que no estén incluidas en este directorio, comuníquese a Servicios para Miembros, al 1-800-559-3500 (los miembros elegibles para Medicare y Medi-Cal deben llamar al 1-866-722-6725) o, para usuarios de TTY, 711, de 8 A.M. a 8 P.M., los 7 días de la semana, del 1 de octubre al 14 de febrero. Desde el 15 de febrero al 30 de septiembre, el horario es de 8 A.M. a 8 P.M., de lunes a viernes, y de 9 A.M. a 4 P.M. los sábados (los mensajes recibidos en días festivos y fuera del horario hábil se devolverán en un día hábil). O visite www.scanhealthplan.com.

Si tiene preguntas acerca de cualquiera de las opciones anteriores, incluso si necesita instrucciones sobre cómo presentar reclamos por recetas médicas que tuvo que surtir en una farmacia fuera de la red, consulte la portada y la contraportada de este directorio para obtener información sobre cómo comunicarse con SCAN Health Plan.

SCAN Health Plan es un plan HMO con un contrato de Medicare. La inscripción en SCAN Health Plan depende de la renovación del contrato.

Esta información no es una descripción completa de los beneficios. Para obtener más información, póngase en contacto con el plan. Limitaciones, copagos y restricciones pueden aplicar. La red de farmacias o la red de proveedores pueden cambiar en cualquier momento. Usted recibirá un aviso cuando sea necesario. Los beneficios o copagos/coseguro pueden cambiar el 1 de enero de cada año.

MAIL ORDER PHARMACIES

You can get prescription drugs shipped to your home through our network mail order delivery service.

If you have used mail order services with your current plan before, or if you opt in now, our network pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us at 1-866-553-4125, 24 hours a day, 7 days a week. TTY users call 711. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

To refill your mail order prescriptions, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at SCAN Health Plan's Member Services at 1-800-559-3500 (Medicare and Medi-Cal eligible members should call 1-866-722-6725), 8 A.M. to 8 P.M., 7 days a week from October 1 to February 14. From February 15 to September 30, hours are 8 A.M. to 8 P.M. Monday through Friday, and 9 A.M. to 4 P.M. on Saturday (messages received on holidays and outside of our business hours will be returned within one business day.) TTY users should call 711.

FARMACIAS DE PEDIDOS POR CORREO

Puede obtener medicamentos recetados enviados a su casa, a través de nuestro servicio de entrega de pedidos por correo de la red.

Si ha utilizado los servicios de pedidos por correo con su plan actual antes, o si opta por el servicio ahora, nuestra farmacia de la red automáticamente le surtirá y enviará nuevas recetas recibidas directamente de sus médicos u otras personas que receten. Puede optar por no recibir entregas automáticas de recetas nuevas en cualquier momento al comunicarse con nosotros al 1-866-553-4125, las 24 horas del día, los 7 días de la semana. Los usuarios de TTY deben llamar al 711. Si nunca tuvo entrega de pedidos por correo o decide dejar de recibir surtidos automáticos de recetas nuevas, nos comunicaremos con usted cada vez que obtenga una nueva receta de un proveedor, para saber si desea que el medicamento se surta y envíe en ese momento. Esto le dará una oportunidad de asegurarse de que se entregará el medicamento correcto (incluidos la dosis, la cantidad y la forma) y, si es necesario, le permite cancelar o retrasar el pedido antes de que se le facture y envíe.

Para reabastecer sus recetas médicas de pedidos por correo, comuníquese con nosotros 21 días antes de que crea que los medicamentos que tiene se le terminen, para asegurarse de que su siguiente pedido se le envíe a tiempo.

Por lo general, debe esperar recibir sus medicamentos recetados dentro de los siguientes 14 días desde el momento en que la farmacia de pedidos por correo recibe el pedido. Si no recibe sus medicamentos recetados en este plazo, comuníquese a Servicios para Miembros de SCAN Health Plan, al 1-800-559-3500 (los miembros elegibles para Medicare y Medi-Cal deben llamar al 1-866-722-6725) o, para usuarios de TTY, 711, de 8 A.M. a 8 P.M., los 7 días de la semana, del 1 de octubre al 14 de febrero. Desde el 15 de febrero al 30 de septiembre, el horario es de 8 A.M. a 8 P.M., de lunes a viernes, y de 9 A.M. a 4 P.M. los sábados (los mensajes recibidos en días festivos y fuera del horario hábil se devolverán en un día hábil). Los usuarios de TTY deben llamar al 711.
