Understanding service area maps and plan type

The service area maps in this directory show the counties where Aetna Medicare Plans are offered. If coverage for an Aetna Medicare Plan is offered in only part of a county, then a list of covered ZIP codes is provided. Please take the time to become familiar with the service area map specific to you and your plan.

The two service area maps on the following pages are for Aetna Medicare Individual Plans and Aetna Medicare Employer Group Plans.

Q: How do I know if I am an Individual plan member and which map should I use?

A: You can check your member ID card. Look for a 4-digit number on the front of your card that has an “H” before it. For example: H3623. You will see a 3-digit number after that number. For example: 001. If that 3-digit number starts with any number besides an 8, then you are an Individual plan member.

If you are still unsure if you are an Aetna Medicare Individual Plan member you may contact us to find out. Call our Member Services department at **1-800-282-5366 (TTY: 711)**, 8 a.m. to 8 p.m., seven days a week. Section 1 – Introduction

This directory provides a list of Aetna Medicare Plan (PPO) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

If you are enrolled in an Aetna Medicare Plan (PPO), you have the flexibility to choose either network providers to receive covered services or out-of-network providers. With the exception of emergencies, urgent care or out-of-network renal dialysis, it may cost PPO members more to get care from out-of-network providers. Although you are not required to select a primary care physician (PCP), you are encouraged to do so. If you receive covered services from an out-of-network provider, it is important to confirm they will accept your PPO plan and are eligible to receive Medicare payment.

The PPO network providers listed in this directory have agreed to provide you with your health care, vision, hearing and dental coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from out-of-network providers.

In cases where non-contracting providers submit a bill directly to you, you should not pay the bill, but should submit it to Aetna Medicare for processing and determination of your cost-sharing amount, if any.

Certain network health care services, such as hospitalization or outpatient surgery, require prior authorization from Aetna Medicare. This means the service must be approved by Aetna Medicare before it will be covered under the plan. Check your Evidence of Coverage for a list of services that require this approval. When you are to obtain services requiring prior authorization from a network provider, the provider is responsible to obtain prior authorization from Aetna Medicare

before treatment. If your plan includes an out-of-network benefit and you decide to receive covered services from an out-of-network provider, contact Aetna Medicare for prior authorization of those services.

Emergency care

If you need emergency care, you are covered 24 hours a day, 7 days a week, anywhere in the world. Whether you are in or out of an Aetna Medicare service area, we simply ask that you follow the guidelines below when you believe you need emergency care.

- Call the local emergency hotline (for example, 911) or go to the nearest emergency facility. Notify your PCP as soon as possible after receiving treatment. Or if a delay would not be harmful to your health, call your PCP.
- If you are admitted to an inpatient facility, you, a family member or friend on your behalf should notify your PCP or Aetna Medicare as soon as possible.

If you are traveling outside of the Aetna Medicare Plan (PPO) service area, you are covered for emergency and urgently needed care. Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the network service area, HMO plan members must use plan providers for urgent care unless the providers are not available. When out of the service area, urgent care may be obtained from the first available provider. Urgent care may be obtained from a private practice physician, a walk-in clinic, an urgent care center or an emergency facility. We will review the information submitted to us by the provider who supplied your care. If the nature of the urgent or emergency problem does not qualify for coverage, you may have to provide us with additional information.

Follow-up care after emergencies

All follow-up care should be coordinated by your PCP. For HMO plans, follow-up care with out-of-network providers may only be covered with a referral from your PCP and prior authorization from Aetna. Whether you were treated inside or outside your Aetna Medicare service area, if your plan requires referrals, you must obtain a referral before any follow-up care can be covered. If your plan does not require referrals you should contact our Member Services department at **1-800-282-5366 (TTY: 711)** before care is received at out-of-network facilities. Suture removal, cast removal, x-rays and clinic and emergency room revisits are some examples of follow-up care.

For PPO plans, in-network and out-of-network follow-up care after emergencies will be covered under the terms and conditions of your plan.

Sección 1: Introducción

Este directorio proporciona una lista de proveedores que pertenecen a la red del Plan (PPO) de Aetna Medicare. Para obtener información detallada sobre su cobertura médica, por favor consulte la Evidencia de Cobertura.

Si está inscrito en un Plan (PPO) de Aetna Medicare, usted tiene la flexibilidad de seleccionar proveedores que pertenecen a la red para recibir servicios cubiertos o proveedores que no pertenecen a la red. A excepción de casos de emergencia, atención médica de urgencia o diálisis renal fuera de la red, puede ser más caro para los miembros de un plan PPO obtener atención médica de proveedores que no pertenecen a la red. Aunque no es obligatorio seleccionar un proveedor de atención primaria (PCP), se le anima hacerlo. Si recibe servicios cubiertos de un proveedor fuera de la red, es importante confirmar que aceptarán su plan PPO y son elegibles para recibir el pago de Medicare.

Los proveedores de la red PPO enumerados en este directorio han acordado proporcionarle su cobertura de atención médica, de la vista, audición y dental. Usted puede ir a cualquiera de nuestros proveedores de la red enumerados en este directorio; sin embargo, algunos servicios podrían requerir una referencia médica. Si ha estado yendo a un proveedor de la red, no tiene la obligación de continuar atendiéndose con el mismo proveedor. En algunos casos, usted puede obtener servicios cubiertos de proveedores fuera de la red.

En los casos en que los proveedores sin contrato le presentan una factura directamente a usted, usted no debe pagar la factura sino presentarla a Aetna Medicare para el procesamiento y la determinación de su monto de costo compartido, si la hubiese.

Ciertos servicios de atención médica de la red, como la hospitalización o cirugía ambulatoria, requieren la autorización previa de Aetna Medicare. Esto significa que el servicio debe ser aprobado por Aetna Medicare antes de ser cubierto por el plan. Consulte su Evidencia de Cobertura para obtener una lista de los servicios que requieren esta aprobación. Cuando usted

obtenga servicios que requieren autorización previa de un proveedor de la red, el proveedor es responsable de obtener la autorización previa de Aetna Medicare antes del tratamiento. Si su plan incluye un beneficio fuera de la red y usted decide recibir los servicios cubiertos de un proveedor fuera de la red, comuníquese con Aetna Medicare para recibir autorización previa de esos servicios.

Atención médica de emergencia

Si necesita atención médica de emergencia, usted está cubierto las 24 horas del día, los 7 días de la semana, en cualquier lugar del mundo. Si usted está dentro o fuera de un área de servicio de Aetna Medicare, simplemente le pedimos que siga las siguientes pautas si piensa que necesita atención médica de emergencia.

- Llame a la línea directa local de emergencia (por ejemplo, 911) o vaya al centro médico de emergencia más cercano. Notifique a su PCP lo antes posible después de recibir tratamiento. O si la demora no perjudicaría su salud, llame a su PCP.
- Si es admitido en un centro médico, usted, un familiar o amigo en su nombre debe notificar a su PCP o a Aetna Medicare tan pronto como sea posible.

Si está viajando fuera del área de servicio del Plan (PPO) de Aetna Medicare, usted está cubierto en caso de atención médica de emergencia y de urgencia. La atención médica de emergencia siempre se puede obtener dentro o fuera del área de servicio del proveedor disponible más cercano. Cuando en el área de servicio de la red, los miembros del plan HMO deben utilizar los proveedores del plan para recibir atención médica de urgencia a menos que los proveedores no están disponibles. Cuando fuera del área de servicio, se puede obtener atención médica de urgencia del primer proveedor disponible. La atención médica de urgencia puede obtenerse de un médico de práctica privada, una clínica sin citas, un centro médico de urgencias o un centro médico de emergencia. Revisaremos la información que nos presenta el proveedor que suministró su atención. Si la naturaleza del problema urgente o de emergencia no cumple los requisitos para recibir

cobertura, probablemente sea necesario proporcionarnos información adicional.

Seguimiento médico después de emergencias

Todo seguimiento médico debe ser coordinado por su PCP. Para los planes HMO, el seguimiento médico con proveedores fuera de la red sólo puede estar cubierto si cuenta con una referencia médica de su PCP y autorización previa de Aetna. Sin importar si recibió tratamiento dentro o fuera del área de servicio de Aetna Medicare, si su plan requiere referencias médicas, usted debe obtener la referencia médica antes de que se pueda cubrir ningún seguimiento médico. Si su plan no requiere referencias médicas, debe contactar nuestro departamento de Servicios al Miembro al **1-800-282-5366 (TTY: 711)** antes de recibir atención en centros médicos fuera de la red. La extracción de puntos, de yeso, las radiografías y visitas de seguimiento a la clínica y sala de emergencia son ejemplos de seguimiento médico.

Para los planes PPO, todo seguimiento médico dentro y fuera de la red después de emergencias será cubierto bajo los términos y condiciones de su plan.

Institutes of Excellence™ transplant facilities

The Aetna National Medical Excellence Program® coordinates care and provides access to covered transplant treatment through the national Institutes of Excellence network. We have selected hospitals that have met extensive quality, as well as cost-effectiveness criteria to participate in our Institutes of Excellence transplant network for solid organ transplants and bone marrow transplants. These facilities have been contracted on a transplant-specific basis and facilities are considered participating only for the transplant type listed in this directory.

To be considered in network for coverage for transplant-related services, including evaluation, transplant, and follow-up care, you must utilize an Institutes of Excellence participating facility that has been specifically contracted by Aetna for your transplant type. Services must be preauthorized with Aetna for coverage to be effective. Any facility that is not specified as an Institutes of Excellence network facility is considered nonparticipating or nonpreferred for transplant-related services, even if they are considered participating for other types of services.

Centros de trasplante de los Institutos de Excelencia

El Programa de Excelencia Médica Nacional® de Aetna coordina la atención médica y proporciona acceso al tratamiento de trasplante cubierto a través de la red de los Institutes of Excellence. Hemos seleccionado a hospitales que han demostrado calidad extensivamente, así como criterios de economía para participar en nuestros centros de trasplante de los Institutos de Excelencia para el trasplante de órganos sólidos y de médula ósea. Estos centros médicos han sido contratados sobre la base específica de trasplantes y los centros médicos se consideran participantes sólo para el tipo de trasplante listado en este directorio.

Para que se considere la cobertura dentro de la red de servicios relacionados con trasplantes, incluyendo la evaluación, trasplante y cuidado de seguimiento, usted debe utilizar un centro médico participante que ha sido específicamente contratado por Aetna para su tipo de trasplante. Los servicios deben ser previamente autorizados con Aetna para que la cobertura sea válida. Cualquier centro médico no especificado como centro médico de la red de los Institutos de Excelencia se considera como centro médico no participante o no preferido de servicios relacionados con trasplantes incluso si se considera participante para otros tipos de servicios.

Nationally contracted walk-in clinics

This section contains a list of nationally contracted walk-in clinics. Each nationally contracted walk-in clinic is staffed with nurse practitioners and/or physician assistants as well as a physician on call during all hours of operation. Walk-in clinics are designed to treat ailments such as strep throat, pink eye, and seasonal allergies and may also offer a limited list of vaccines such as tetanus, hepatitis and pneumonia. Walk-in clinics are not designed to be an alternative for primary care providers. Walk-in clinics offer a quick alternative for common ailments with no appointment necessary.

Occasionally, a patient shows symptoms that are not within the walk-in clinic's treatment guidelines. In that case, nurse practitioners and physician assistants are qualified to screen and refer patients to the appropriate health care provider at no charge to the member.

Members who access care at walk-in clinic sites do not require a referral from their primary care physician. Cost sharing for walk-in clinics is based on a member's plan benefits. Your plan's Evidence of Coverage lists cost-sharing information.

Clínicas de atención sin citas contratadas a nivel nacional

Esta sección contiene una lista de todas las clínicas de atención sin citas contratadas a nivel nacional. Cada clínica de atención sin citas contratada a nivel nacional cuenta con enfermeros titulados y/o asistentes de médicos así como un médico de guardia durante el horario de operación. Las clínicas de atención sin citas han sido diseñadas para tratar enfermedades como inflamación de la garganta, conjuntivitis y alergias estacionales, y también pueden ofrecer una lista limitada de vacunas contra el tétanos, hepatitis y neumonía, entre otras. Las clínicas de atención sin citas no han sido diseñadas como alternativas para los proveedores de atención primaria. Las clínicas de atención sin citas ofrecen una alternativa rápida a las dolencias comunes sin que sea necesario tener una cita.

Ocasionalmente un paciente muestra síntomas que no están dentro del marco de tratamiento de la clínica de atención sin citas. En estos casos, los enfermeros titulados y asistentes de médicos están calificados para hacer pruebas de detección y referir a los pacientes a los proveedores médicos apropiados sin costo para el miembro.

Los miembros que tienen acceso a las clínicas de atención sin citas no requieren una referencia médica de su proveedor de atención primaria. El costo compartido para las clínicas de atención sin citas se basa en los beneficios del plan del miembro. Vea la información de costos compartidos que aparece en la Evidencia de Cobertura de su plan.

Aetna is committed to Accreditation by the National Committee for Quality Assurance (NCQA) as a means of demonstrating a commitment to continuous quality improvement and meeting customer expectations. A complete listing of health plans and their NCQA status can be found on the NCQA website located at **<http://reportcard.ncqa.org>**.

To refine your search, we suggest you search these areas: 1) **Health Insurance Plans** — for HMO and PPO health plans and 2) **Physicians and Physician Practices** — for physicians recognized by NCQA in the areas of heart/stroke care, diabetes care, back pain, patient centered medical home and patient centered specialty practice. Providers, in all settings, achieve recognition by submitting data that demonstrates they are providing quality care. The program constantly assesses key measures that were carefully defined and tested for their relationship to improved care; therefore, NCQA provider recognition is subject to change.

See “Other Reports on Health Care Quality” in the drop down menu for **Managed Behavioral Healthcare Organizations** — for behavioral health accreditation and **Credentials Verifications Organizations** — for credentialing certification.

Aetna se compromete a la acreditación por el *National Committee for Quality Assurance*, NCQA (Comité Nacional para el Control de Calidad) para demostrar su compromiso con la mejora continua de la calidad y cumplimiento de las expectativas del cliente. Encontrará un listado completo de los planes médicos y su estatus NCQA en el sitio de Internet del NCQA en **reportcard.ncqa.org**.

Para refinar su búsqueda, sugerimos que busque en estas áreas: 1) **Health Insurance Plans** (planes de seguro médico), para los planes médicos HMO y PPO, y 2) **Physician and Physician Practices** (médicos y prácticas de los médicos), para los médicos reconocidos por el NCQA en las áreas de atención cardíaca/derrame cerebral, cuidado de la diabetes, dolor de espalda, hogar médico centrado al paciente y práctica de especialidad centrado al paciente. Los proveedores, en todos los contextos, alcanzan este reconocimiento al someter los datos que demuestran que están proporcionando atención médica de calidad. El programa constantemente evalúa las medidas claves que fueron cuidadosamente definidas y examinadas con relación a la mejora de la atención; por lo tanto, el reconocimiento de NCQA de proveedores está sujeta a cambios.

Consulte la sección “Otros informes sobre la Calidad de atención médica” en el menú desplegable para **Managed Behavioral Healthcare Organizations** (organizaciones administradas de servicios médicos para la salud del comportamiento), para la acreditación en la salud del comportamiento y **Credentials Verifications Organizations** (organizaciones de verificaciones de credenciales), para la certificación de credenciales.
