Section 1 – Introduction

This directory provides a list of Blue Shield of California Promise Health Plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP.

Your Primary Care Physician (PCP)

Your PCP is a physician who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP can also coordinate the rest of the covered services you need. In most cases, you must see your PCP to get a referral before you see any other health care providers or visit a specialist. You may self-refer to an obstetrical and gynecological (OB-GYN) specialist within your contracting medical group/IPA for a routine pap smear, pelvic exam and breast exam annually.

If there are specific Specialists you want to use, find out whether your PCP sends patients to these Specialists. Each plan PCP has certain plan Specialists they use for referrals. This means that the PCP you select determines the Specialists you see. If the PCP is associated with a medical group that has a formal referral circle, you will be referred to a specialist within that subnetwork. If you are unhappy with the referral circle used by your current PCP, please follow the steps in the section, "How do you find Blue Shield of California Promise Health Plan providers in your area?" in order to choose a new PCP.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. Please read the above paragraph "Your Primary Care Physician (PCP)" for more information on specialist referrals or please call Customer Care Operations at 1-800-544-0088 (TTY 711), 8 a.m. to 8 p.m., seven days a week, from Oct. 1st – Mar. 31st and 8 a.m. – 8 p.m. weekdays, from Apr. 1st – Sept. 30th. Other Providers are available in our network.

What should I do if I have bills from non-plan providers that I think should be paid by Blue Shield of California Promise Health Plan?

We cover certain health care services that you get from non-plan providers. These include care for a medical emergency, urgently needed care, renal dialysis (kidney) that you get when you are outside the plan's service area, care that has been approved in advance by Blue Shield of California Promise Health Plan and any services which were ordered covered through an appeals process.

If a non-plan provider asks you to pay for covered services you get in these situations, please contact our Customer Care Operations at 1-800-544-0088 (TTY 711) seven days a week, 8 a.m. to 8 p.m., seven days a week, from Oct. 1st – Mar. 31st and 8 a.m. – 8 p.m. weekdays, from Apr. 1st – Sept. 30th. Or you may write us at Blue Shield of California Promise Health Plan Customer Care Operations, (Care1st Health Plan until 12/31/18) P.O. Box 4239, Montebello, CA 90640. In cases where non-contracting providers submit a bill directly to you, you should not pay the bill, but should submit it to the plan for processing and determination of your liability, if any.

Getting care when traveling or away from the plan's service area

If you need care when you are outside the service area, your health care coverage is very limited. The only services we cover when you are outside our service area are care for a medical emergency, including maintenance care and hospital care after you are stable (known as post stabilization care), urgently needed care, renal dialysis (kidney), in a Medicare certified dialysis facility and care that Blue Shield of California Promise Health Plan or plan provider has approved in advance.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you must use plan providers for urgent care. When out of the service area urgent care may be obtained from the first available provider.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Blue Shield of California Promise Health Plan will be responsible for the costs.

If you question whether a service is covered when you travel, please call our Customer Care Operations at 1-800-544-0088 (TTY: 711)), 8 a.m. to 8 p.m., seven days a week, from Oct. 1st – Mar. 31st and 8 a.m. – 8 p.m. weekdays, from Apr. 1st – Sept. 30th.

Deberá elegir uno de nuestros proveedores de la red, que se indican en este directorio, para que sea su Médico de atención primaria (**Primary Care Provider, PCP**). Generalmente, debe obtener sus servicios de atención médica de parte de su PCP.

Su médico de atención primaria (PCP)

El PCP es un médico que cumple con determinados requisitos estatales y tiene la formación necesaria para brindar atención médica básica. Usted obtendrá su atención básica o de rutina de su PCP. Su PCP también puede coordinar el resto de los servicios cubiertos que usted necesita. En la mayoría de los casos, debe visitar a su PCP para obtener una remisión antes de visitar a otros proveedores de atención médica o de visitar a un especialista. Se puede autorremitir a un especialista en obstetricia y ginecología (OB-GYN) dentro de su grupo médico o IPA contratado para realizarse una prueba de Papanicolaou, un examen pélvico y un examen de mamas de rutina por año.

En caso de que haya especialistas específicos que usted desee consultar, averigüe si su PCP envía sus pacientes a estos especialistas. Cada PCP del plan trabaja con ciertos especialistas del plan cuando hace remisiones. Esto quiere decir que el PCP que usted seleccione determina qué especialistas usted puede consultar. Si el PCP está asociado con un grupo médico que tiene un círculo de remisión formal, se le referirá a un especialista dentro de esa subred. Si no está satisfecho con el círculo de remisión utilizado por su PCP actual, siga los pasos de la sección “¿Cómo puede encontrar proveedores de Blue Shield of California Promise Health Plan en su área?” para elegir un nuevo PCP.

Los “proveedores de la red” que figuran en este directorio han acordado proveerle a usted sus servicios de atención médica. Usted podrá acudir a cualquiera de nuestros proveedores de la red que se indican en este directorio, pero algunos servicios podrían requerir una remisión. Lea el párrafo anterior “Su médico de atención primaria (PCP)” para obtener más información sobre la remisión a especialistas, o llame al Operaciones de Atención al Cliente al 1-800-544-0088 (TTY 711) de 8:00 a.m. a 8:00 p.m., siete días a la semana, del 1 de octubre al 31 de marzo y de 8:00 a.m. a 8:00 p.m. de lunes a viernes, desde el 1 de abril hasta el 30 de septiembre.

¿Qué debo hacer si tengo facturas de proveedores que no pertenecen al plan que creo que le corresponde pagar a Blue Shield of California Promise Health Plan?

Cubrimos determinados servicios de atención médica que usted recibe de proveedores que no pertenecen al plan. Estos servicios incluyen la atención de una emergencia médica, atención de urgencia, diálisis renal (del riñón) que obtiene cuando está fuera del área de servicio del plan, atención previamente aprobada por Blue Shield of California Promise Health Plan y todos los servicios cuya cobertura hubiera sido ordenada por un proceso de apelaciones.

Si un proveedor que no pertenece al plan le pide que pague los servicios cubiertos que recibe en estas situaciones, llame a nuestro Operaciones de Atención al Cliente al 1-800-544-0088 (TTY 711), de 8:00 a.m. a 8:00 p.m., siete días a la semana, del 1 de octubre al 31 de marzo y de 8:00 a.m. a 8:00 p.m. de lunes a viernes, desde el 1 de abril hasta el 30 de septiembre. O bien, puede escribirnos a Servicios para los miembros de Blue Shield of California Promise Health Plan, (Care1st Health Plan hasta 12/31/18) P.O. Box 4239, Montebello, CA 90640. En los casos en los que los proveedores que no tengan un contrato le remitan las facturas directamente a usted, no debe pagarlas sino enviarlas al plan para su procesamiento y determinación de responsabilidad, si correspondiera.

Cómo acceder a la atención médica cuando se encuentra de viaje o lejos del área de servicio del plan

Si necesita atención médica cuando se encuentre fuera del área de servicio, su cobertura de atención médica será muy limitada. Los únicos servicios que cubrimos cuando usted se encuentra fuera del área de servicio son las emergencias médicas, incluidas la atención de mantenimiento y la atención hospitalaria una vez que esté estable (conocidos como atención posestabilización), la atención de urgencia, los servicios de diálisis renal (del riñón) y la atención aprobada por anticipado por Blue Shield of California Promise Health Plan, o un proveedor del plan.

El proveedor más cercano disponible siempre podrá prestar atención de emergencia dentro o fuera del área de servicio. Cuando se encuentre dentro del área de servicio, debe consultar a los proveedores del plan para recibir atención de urgencia. Cuando se encuentre fuera del área de servicio, puede recibir atención de urgencia del proveedor que se encuentre disponible primero.

Debe utilizar los proveedores de la red, salvo en situaciones de emergencia o atención de urgencia, o para servicios de diálisis renal u otros servicios fuera del área. Si recibe atención de rutina de parte de proveedores fuera de la red, ni Medicare ni Blue Shield of California Promise Health Plan, se harán responsables de los costos.

Si tiene preguntas sobre la cobertura de un servicio cuando viaja, llame a nuestro Operaciones de Atención al Cliente al 1-800-544-0088 (TTY 711) de 8:00 a.m. a 8:00 p.m., siete días a la semana, del 1 de octubre al 31 de marzo y de 8:00 a.m. a 8:00 p.m. de lunes a viernes, desde el 1 de abril hasta el 30 de septiembre.
